FOR IMMEDIATE RELEASE

Date: 03/28/2022

Contact: Walla Walla County PIO, 509-524-2916, [EOPIO@co.walla-walla.wa.us](mailto:EOPIO@co.walla-walla.wa.us)

***Walla Walla County Vaccine Update***  
**Reminder to Stay Healthy, Get Vaccinated, Keep our Community Safe**

WALLA WALLA, WA – Due to reduced demand, Walla Walla County Department of Community Health (DCH) and local health care partners will decrease the number of vaccine clinics offered at the Providence Southgate campus. Beginning Wednesday, March 30, clinics will transition from Friday and Saturday to every Wednesday. Clinics will only be for those ages 12 years and older, except on the last Wednesday of every month, which will be Family Day. On Family Day, anyone five years and older will be able to get a vaccine. **To ensure equitable access, vaccine clinics on the first Wednesday of the month will run from 11 a.m. to 1 p.m. All other clinics will run from 3 p.m. to 5 p.m.** Everyone interested in scheduling an appointment at Providence Southgate should visit the [Walla Walla County COVID website](#) for the most up-to-date links and schedule.

The COVID testing site at Providence Southgate will not change its hours of operation. The site will be open Monday through Friday, 8 a.m. to 2 p.m. Anyone in need of a COVID test can find testing appointments and locations at <https://www.covidwwc.com/testing>.

Residents without Internet/computer access can call the DCH helpline (509) 524-2647 and leave their name, date of birth, phone number, and a message stating that they need assistance scheduling an appointment.

We encourage all residents to visit the County COVID [website](#) or text COVIDWW to 888777 for information on upcoming vaccination clinics.
