Department of Community Health Vaccine Update
Reminder to Stay Home, Stay Healthy, Keep our Community Safe

WALLA WALLA, WA – Walla Walla County Department of Community Health (DCH) and health care partners will receive 3,000 first-dose vaccines this week from the state. First-dose vaccination clinics are scheduled for Sunday, February 21, and Monday, February 22. Both clinics will run from 8 a.m. until 4 p.m. at the Walla Walla County Fairgrounds Pavilion. [Phase 1A or 1B Tier 1 eligible](#) residents will be able to schedule an appointment beginning Thursday, February 18 at 8 a.m.

After completing the Washington State Phase Finder tool, eligible county residents should complete the following steps to schedule their appointment:

- Step 1: Go to doh.wa.gov and click the “Vaccine Locations,” button.
- Step 2: Scroll or search for “Walla Walla County” in the list of counties.
- Step 3: Click “Walla Walla County.”
- Step 4: Schedule your vaccine appointment by clicking the “Walla Walla Fairgrounds,” link.
- Step 5: Select an available appointment time.
- Step 6: Click “Submit and Sign Up.”
- Step 7: Enter your name, email, and other required information.
- Step 8: Click “Sign Up Now.”
- Step 9: Check your email inbox. You will receive a confirmation if all steps have been completed successfully.

Please note that eligible residents are currently unable to sign up for multiple appointments with the same email address. Each registration requires a unique email.

DCH asks that everyone receiving vaccine arrive at their scheduled appointment time. Arriving early creates heavy traffic and congestion in the area.

To help consolidate and simplify the registration process, DCH and Providence St. Mary Medical Center are working toward implementing a new registration system that will fix various issues that some residents have experienced over the past few weeks. DCH hopes to launch the new registration system in the coming weeks.

For updates and announcements visit the County COVID [website](#) and text COVIDWW to 888777.
